

S O N Y O N L I N E E N T E R T A I N M E N T

As we look ahead, Sony Online Entertainment will continue to dominate the business of online gaming through the introduction of compelling new interactive entertainment for the personal computer, game console, and wireless online markets. Our mission is to be the worldwide leader in subscription online gaming through the development of cutting-edge gaming products, the delivery of digital content and the creation of active online communities across various gaming genres and platforms.

EVERQUEST II

EverQuest® II, the next generation of massively multiplayer gaming, is a huge online world where thousands of players can come together to embark upon epic adventures. Featuring breathtaking graphics and a vast, beautiful game world to explore, EverQuest II sets the standard for graphical realism as players are immersed in the game's exciting locales and dangerous lands.

Players will encounter hundreds of creatures as they travel across majestic landscapes of rolling hills, barren deserts, dense forests, and bustling cities. Thousands of items, hundreds of spells, and unlimited adventure await all who enter the world of EverQuest II.

- ◆ Voiceover for almost all non-player characters
- ◆ User friendly game mechanics with an enhanced "newbie" experience
- ◆ State-of-the-art combat, spell and skill systems
- ◆ Immersive graphics and cinematic presentation

WHERE ADVENTURE COMES ALIVE™

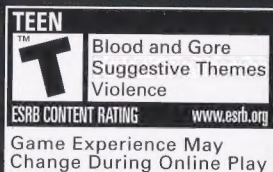

EVERQUEST®

Welcome to the ever-changing world of EverQuest®. Join thousands of players online in the fantasy world of Norrath as you undertake epic adventures and face unbelievable challenges in your quest for dominance and survival.

In March 1999, the EverQuest phenomenon began with 10,000 subscribers signing up on the first day, establishing EQ as the Number One selling online role-playing game in North America. In March of 2004 EverQuest celebrated its 5th Anniversary, and remains the leader in North

America as the Number One massively multiplayer role-playing game with over 500,000 players, 350 square miles of virtual game space, over 40,000 unique items and more than 1,000,000 non-player characters.

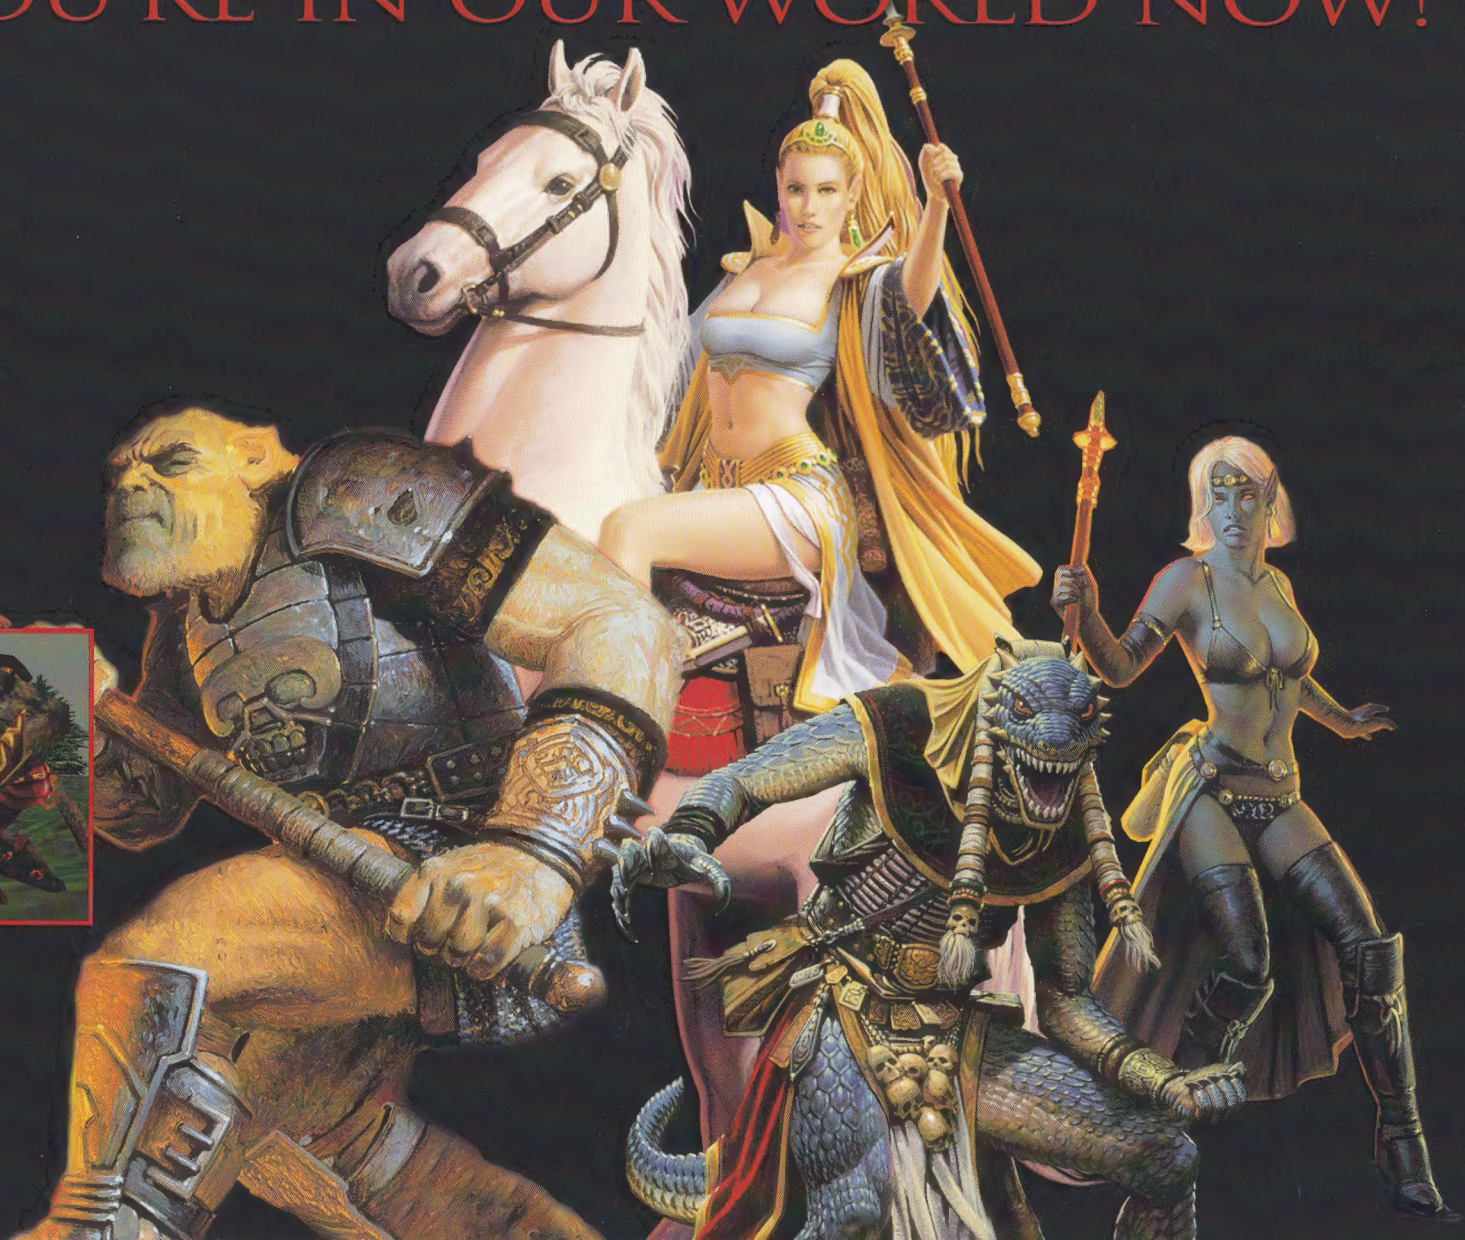

- ◆ The ultimate RPG fantasy adventure, with over 400,000 active subscribers
- ◆ Unprecedented virtual game space spanning the vast world of Norrath
- ◆ Design your own unique character, race and class
